1 **PLEASE TAKE FURTHER NOTICE THAT** each First Day Motion is based upon this Notice;  
2 such First Day Motion and the memorandum of points and authorities set forth therein; the *Declaration*  
3 *of Charles Moore, Managing Director of Alvarez & Marsal North America, LLC, Proposed Restructuring*  
4 *Advisor to the Roman Catholic Bishop of Oakland, in Support of Chapter 11 Petition and First Day*  
5 *Pleadings* (the “First Day Declaration”); any and all supplemental papers that may be filed by the Debtor;  
6 the interim orders entered by the Court on each First Day Motion on May 11, 2023 (the “Interim Orders”);  
7 the papers on file in this bankruptcy case; and on such arguments or evidence as may be presented at the  
8 hearing. Copies of the First Day Motions, the First Day Declaration, the Interim Orders, and all pleadings  
9 and papers filed in this Bankruptcy Case can be obtained from the website maintained by the Debtor’s  
10 claims and noticing agent, Kurtzman Carson Consultants LLC, at <https://www.kccllc.net/rcbo>. You may  
11 also access these documents through the Court’s Pacer electronic docket, with a subscription. The web  
12 page for the Bankruptcy Court is <http://www.canb.uscourts.gov>

13 **PLEASE TAKE FURTHER NOTICE THAT** the relief request in the First Day Motions is  
14 briefly summarized as follows:

15 Cash Management Motion. Through the Cash Management Motion, the Debtor seeks authority to  
16 continue operating its existing cash management system as described therein, including the maintenance  
17 of existing bank accounts at the Debtor’s banks, honoring certain related prepetition obligations,  
18 continuance of certain intercompany arrangements, and related relief. The relief sought in the Cash  
19 Management Motion is critical to avoid harmful disruptions in the Debtor’s operations and access to cash.

20 Wages and Benefits Motion. Through the Wages Motion, the Debtor seeks authority to honor and  
21 pay prepetition employee compensation and unreimbursed prepetition business expenses of employees,  
22 to maintain employee benefit programs including insurance and workers compensation and pay  
23 prepetition expenses related thereto, to continue to act as collection and payment agent for certain  
24 employee programs shared with related non-debtor employers, and related relief. The relief sought in the  
25 Wages and Benefits Motion is essential to avoid interruption in the payment of wages and provision of  
26 benefits to the Debtor’s employees.

27 Insurance Motion. Through the Insurance Motion, the Debtor seeks authorization necessary to  
28 maintain its existing insurance program, including payment of premiums and all obligations related to its  
insurance policies, to continue to honor its obligations under insurance premium financing agreements, to  
renew, extend, or enter into new insurance policies in the ordinary course of business, to pay its regular  
brokerage and other administrative fees in connection with its insurance program, and related relief. The  
relief sought in the Insurance Motion is essential to ensure uninterrupted insurance coverage while the  
Debtor remains in chapter 11 bankruptcy.

Utilities Motion. Through the Utilities Motion, the Debtor seeks to prohibit utility providers from  
altering, refusing, or discontinuing service to the Debtor, to establish procedures for providing adequate  
assurance to utility providers and for and resolving objections, if any, to the proposed adequate assurance,  
and related relief. The relief sought in the Utilities Motion is essential to avoid interruption in utility  
services to the Debtor, and to provide standard, consistent procedures for the provision of adequate  
assurance.

Abuse Survivor Assistance Motion. Through the Abuse Survivor Assistance Motion, the Debtor  
seeks authorization to pay certain prepetition invoices in connection with the Debtor’s programs to support  
victim-survivors of clergy sexual abuse and to provide a safe environment for children and other

1 vulnerable persons, and to continue to pay expenses relating to such programs in the ordinary course of  
2 its business. This primarily includes (i) the expenses counseling, treatment, and programming for those  
3 who have been credibly found to be the victims of abuse by members of the clergy, and (ii) expenses  
4 attendant to the Debtor's mandatory training and background check programs that provide a safe  
5 environment for parishioners and visitors to diocesan facilities. The relief sought in the Abuse Survivors  
6 Assistance Motion is essential to the Debtor's ongoing obligations and to its moral and ethical  
7 responsibility to support abuse victims in the Bay Area.

8 Notice and Confidentiality Motion. Through the Notice and Confidentiality Motion, the Debtor  
9 seeks authorization to (i) allowing the Debtor to file schedules, statements of financial affairs, creditor  
10 matrix, motions, pleadings, and any other entry into the record under seal or redacted to the extent they  
11 contain (a) non-public names of abuse claimants, potential abuse claimants, or those accused of  
12 committing or covering up abuse, or (b) the private contact information of the Debtor's current or former  
13 employees, (ii) allowing other parties-in-interest in this Bankruptcy Case to do the same, and (iii) limiting  
14 notice to a specific list of recipients on all but a few discrete matters identified in the Notice and  
15 Confidentiality Motion. The relief sought in the Notice and Confidentiality Motion is essential to preserve  
16 the anonymity of those who have accused clergy, or those who have been accused, of abuse, to protect the  
17 privacy and to prevent identity theft and harassment of those individuals and of other individuals involved  
18 in this Bankruptcy Case, and to allow for the efficient administration of this Bankruptcy Case.

19 **PLEASE TAKE FURTHER NOTICE THAT** the foregoing is only a brief summary of the relief  
20 requested in each First Day Motion, and does not fully describe the relief requested, the basis thereof, or  
21 the evidence in support. All parties in interest are encouraged to review the First Day Motions, the First  
22 Day Declaration, and all other documents filed in connection therewith.

23 **PLEASE TAKE FURTHER NOTICE THAT** opposition, if any, to the relief sought in the First  
24 Day Motions may be in writing, **filed with the Bankruptcy Court not later than 12:00 p.m. on May**  
25 **22, 2023**, or may be made orally at the Final Hearing (filing a written opposition in advance of the hearing  
26 is not required).
